

Conformity Assessment Certificate

Cranes – Safety – Non-fixed load lifting attachments

Certificate No. **DK-FC-13155-002**

Issued by FORCE Certification A/S, Denmark

According to DS/EN 13155, First edition 2003-09-26, Conformity Assessment Certificate is issued to:

**Scaletronic A/S
Rugkærgårdsvej 52
2630 Tåstrup**

for equipment: **Weighing instrument**
category: **Cranes – Safety – Non-fixed load lifting attachments**
designation: **Kern CH 15 K 20**
specifications: **Working load limit (WLL) 15 kgf
Tensile test load 127 kgf
Safety factor 8.4**
marking: **WC0782729**
test reports: **FORCE Technology file no. 108-32383**
manufacturer: **KERN & Sohn GmbH
D-72336 Balingen
Germany**

The weighing instrument fulfils the requirements in DS/EN 13155, First edition 2003-09-26, clause 5.1.1.1, Part 1) to withstand a static load of three times the working load limit. The Conformity Assessment Certificate is valid until the product is altered or modified.

Date of issue: 2009-03-04
Date of expire: 2014-03-04
